OF GREATER PRINCE WILLIAM

NONPROFIT NEWS

Reimagining the work we do, the stories we share, and the impact we make.

On behalf of the Human Services Alliance of Greater Prince William, I extend my deepest thanks to our members, sponsors, and partners for making the **2025 Annual Meeting** a meaningful and inspiring gathering. Your presence, support, and collaboration are what make The Alliance and this community so strong. United around the theme of REIMAGINING, this year we will design creative solutions to uplift nonprofit and faith-based organizations, individuals, and families across Prince William County, Manassas City, and Manassas Park.

As I reflect on our 2025 Annual Meeting, I am filled with gratitude for the committed leaders who serve this community, and the dedicated teams of bright minds who understand that the challenges we face are opportunities to design new tools, partnerships and resources to continue and expand our work.

The Alliance exists because of your dedication. Whether you're a nonprofit leader, a faith-based advocate, a business owner, or a passionate community member, your commitment fuels our mission to support human services organizations, improve lives, and build a more sustainable future for all community members.

Together, we are not just responding to needs—we are transforming systems and developing longstanding solutions. I look forward to what we will do.

Your partner in service,

Martina
