WHY JOIN THE ALLIANCE?

The Alliance has been a valued community partner since 2019, distributing over 10 million dollars in grant funds across our community. Additionally, we have hosted numerous in-house training sessions, mixers, and virtual lunch-and-learns. We provide event and marketing support to various partners and members, and foster connections across Greater Prince William that provide training and employment opportunities and help meet the vast needs in our community

**The Alliance connects people WITH resources

EVERY CHILD DESERVES A FRESH START.

Dear Neighbor,

Heading back to school should be filled with excitement, not worry. But for too many families in our community, the start of a new school year brings the stress of not being able to afford even the most basic clothing essentials.

No child should feel embarrassed or excluded because they don't have what they need to walk into the classroom with confidence.

At **Boxes of Basics**, we believe every child deserves the dignity of choice, the joy of something new, and the confidence that comes from being prepared.

Thanks to donors like you, we provide **custom-packed seasonal wardrobes**—a full box of love—to children in need. Each box includes new and gently used clothing, new shoes, socks, underwear, a winter coat and more. For many of these children, it's the first time they've received something chosen just for them.

With your support, we can ensure that local children start the year not just with what they need—but with the confidence and sense of belonging every child deserves.

Thank you for believing in the power of basics.

Sarah Tyndall, Founder & Executive Director
